Preface

This Report is inscribed in accordance to the Statistics gathered from the Local Council Elections 2020; held on the authority of Article 110 of the Constitution of the Republic of Maldives. The first round of this Election was held on 10th April 2021.

Execution of Local Council Elections 2020 was organized according to the experiences attained from the preceding Local Council Elections, and implemented with the intention to provide an enhanced, transparent, and a fair Election for the citizens of Maldives. Hence, Local Council Elections 2020 can be mentioned as a straightforward and efficient election achieved. Also, it is with immense contentment that I would like to indicate the fact that this Election has been acknowledged as a successful Election by Maldivians, as well as that of international populaces.

The Constitution of the Republic of Maldives, along with additional constitution has been followed systematically and in an impartial manner throughout the execution of Local Council Elections 2020. Moreover, the opportunity to monitor and observe the elections was granted to Maldivians along with international populaces to ensure an ethical, transparent Election was implemented.

The report includes key statistical information on candidates and electors, distribution of seats by political parties, participation of women in the election, details of ballot boxes, participation of observes and monitors, complaints lodged, election expenditure, results of individual candidates etc. This report is published on the Commission's official website (www.elections.gov.mv).

The Elections Commission extends its gratitude to all those who extended their assistance and cooperation to the Elections Commission to enable it to conduct its fourth Local Councils Election in a free, fair, transparent, efficient and peaceful manner.
